

Dear Guests,

during the COVID- 19 pandemic we try to inform you in the best possible way about the entry and exit requirements and quarantine regulations currently in place for Germany or other EU countries.

The tightened border and quarantine regulations in Austria and Germany, which have been in effect since December 9, 2020, do not apply to our rehabilitation patients – be it our outpatients or those patients and their accompanying persons that use our accommodation area.

## Hygiene Standards at armona

We are committed to operating at the highest levels of hygiene to make your stay with us as safe as possible.

In addition to the usual daily cleaning of our premises according to a rigorous cleaning and hygiene plan,

- all high-touch surfaces are additionally disinfected several times a day
- all rooms in which several guests are present are ventilated several times a day.

Our employees undergo weekly PCR testing.

Our medical staff wears FFP2 face masks.

All our guests who use our accommodation area undergo PCR testing upon check-in.

By taking these measures we strive to ensure you enjoy a safe stay with us.

Wishing you a very pleasant and successful rehabilitation, we remain

with best wishes

Your armona team
